RESPONSE TO OFFICE ACTION TO FILE CORRECTED DRAWINGS

In response to the Office Action communication dated July 25, 2002, enclosed please find THREE (3) sheets of corrected figures to correct informalities noted in the Office Action. No new matter is introduced. The Application was originally filed with THREE (3) sheets of drawings.

IN THE DRAWINGS

In your Office Action you objected to the drawings for minor informality as the boxes shown in Figures 1-6 were not labeled as required by 37 CFR 1.83(a). Please note that the elements in the drawings are identified by numerals. The specification provides description of the elements. The drawings of U.S. Patent No. 6,222,872 cited have similar elements that are identified by numerals and do not have labels. CFR 1.83(a) is intended for "labeled representations" (e.g., a labeled rectangular box). This is the type of
